Workability Asia Conference 2018  
(17-19 December 2018, Phnom Penh, CAMBODIA)

## **BASIC INFORMATION OF THE EVENT**

### **Date and Location**

17-19 December 2018, Phnom Penh, CAMBODIA

### **Organizers**

Essential Personnel Cambodia  
Workability Asia  
Disability Action Council

### **Theme of Event:**

'Enabling innovative diverse workforces towards sustainable competitiveness'

### **Objectives**

The Conference will focus on improving employment opportunities for people with disabilities. It will, not only, show the working potentialities and competence of people with disabilities, but also involve the participation of public and private sectors.

The Conference will provide a forum to exchange ideas and learning of the participants' experience to promote workability for people with disabilities. It is expected that the event would encourage the network set up for participation in workability promotion for people with disabilities.
